

## WINTER WINE EVENTS

Our Okanagan estate is nestled in the beautiful Okanagan Valley in the south central interior of British Columbia. The 125 acre Estate vineyard, located on the shores of Lake Okanagan, is owned and operated by the Stewart family, pioneering horticulturists in the Okanagan for 100 years. Named British Columbia's Winery of the Year 2004 by Wine Press Northwest, Quails' Gate welcomes over 100,000 visitors annually.

Our location and facilities at Quails' Gate are second to none and we have an exciting season of wine and food themed programs for the 2008 fall and winter months. Join Resident Sommelier Jon Randle as he guides you through a series of themed workshops that will help illuminate and demystify the world of food and wine.

All of the members of our Quails' Gate team share the common belief that wine is about enjoyment, passion and celebration and our winter programs are created with that intention.

We look forward to welcoming you,
