Quails' Gate Announces Change of Sales Agency

KELOWNA, British Columbia (April 3, 2008) – Quails' Gate Estate Winery, well noted for their commitment to estate produced premiere wines, announces a change in their off-site sales representation in Western Canada. The business of their agent, Medallion Wine Marketing has been acquired by Vincor Canada, which is a wholly owned subsidiary of Constellation Brands Inc. Rochester, New York.

“Quails' Gate has been a partner with Medallion for many years; we have found them to be an excellent organization to work with. Vincor has also developed strong relationships with customers and a solid delivery system and we believe their representation will benefit our customers and partners to the fullest and enhance our ability to service all distribution channels,” said Ben Stewart Founder and Proprietor of Quails' Gate.

Quails' Gate continues to be an independent family owned and operated winery in the Okanagan Valley in British Columbia. The 125-acre estate vineyard, located on the shores of Lake Okanagan, is owned and operated by the Stewart family, pioneering horticulturists for over 100 years. We invite you to visit us daily, year round in the Wineshop and Old Vines Restaurant for a unique taste of the Okanagan.
