

QUAILS' GATE

2018 CHASSELAS PINOT BLANC - PINOT GRIS

WINE STYLE

Chasselas was the first vinifera grape planted on our estate and has a long history at the property. As one of the most iconic wines at Quails' Gate, this white blend is made in a fresh, fruit-forward style to complement those long summer days. We're proud to share that the varietal is the number one selling BC VQA white wine in British Columbia.

TASTING & PAIRING

This is a very easy drinking white with lifted aromatics of white flowers, and notes of stone fruit, citrus and pear. Light bodied and slightly off-dry, the wine has bright acidity with a fresh citrus finish. Best enjoyed nicely chilled, all kinds of occasions suit our favorite patio sipper – picnics, cook outs and beach excursions, where summer salads and BC Spot prawns are a perfect pairing for this refreshing wine.

WINEMAKING

The 2018 blend has a crisp freshness with 60% Chasselas, 20% Pinot Blanc and 20% Pinot Gris. The three varietals were hand harvested, then cold fermented in separate stainless steel tanks which enhances the wine's aromatic and intensively fruity characteristics. Blending is conducted post fermentation.

QUAILS' GATE

2015 CHASSELAS PINOT BLANC - PINOT GRIS

WINE STYLE

Chasselas was the first vinifera grape grown on our estate and has a long history at Quails' Gate Winery. It's our most popular white wine – fresh, fruity and off-dry in style. A true crowd pleaser.

TASTING & PAIRING

This year's version is expressively aromatic with notes of guava, tangerine, pear and blossom. Slightly off-dry on the palate, this truly fruit-forward wine offers an enjoyable array of flavors that make it our “go-to” summer wine – a perfect pairing for those long, hot Okanagan days. This is an extremely versatile wine that can be enjoyed on its own or paired with a variety of summer salads and appetizers.

WINEMAKING

This year's blend is 37 percent Chasselas, 31 percent Pinot Gris and 32 percent Pinot Blanc. The Chasselas grapes were harvested from the Quails' Gate Estate vineyard. The vines' roots extend deep into the subsoil of the Boucherie Mountain slopes, bringing crisp, complex mineral notes to the fruit. Our cool climate temperature fluctuations provide daytime heat and ripening potential along with cool night temperatures that help retain bright acidity. All three varietals are hand-harvested, whole-bunch pressed and cold-fermented in separate stainless steel tanks. Blending is conducted post-fermentation. A touch of aromatic complexity makes this wine a delight to enjoy and is suitable for consumption without aging.

QUAILS' GATE

2010 CHASSELAS PINOT BLANC - PINOT GRIS

WINE STYLE

Our most popular wine, Chasselas was the first vinifera grown on our estate and subsequently became our first wine. Always referred to as the classic patio wine, this is an extremely versatile wine. Best enjoyed with friends in the afternoon or early evening, complemented by a tasty selection of mild cheeses, it's light, fresh and gets along well with everyone. This off-dry white is a true crowd-pleaser.

TASTING & PAIRING

The 2010 vintage has been extremely well received. The cooler year increased the lifted aromatics and refreshing character of this social wine. The wine has nice notes of pear, light citrus and hints of toasted almonds. The palate is light but rich, with freshness a long satisfying finish. The moderate alcohol and excellent balance make this wine suited for lighter pairings or as a patio sipper on its own. Perfect with tapas and light cheese, it's extremely versatile with many types of food. Enjoy with lighter dishes and white meats as well as honey roasted pear and endive salad with arugula, candied pecans, Qualicum Blue Claire cheese and sherry vinegar dressing. For a real treat, try with double creme brie with fig roasted crackers.

WINEMAKING

Originally planted in 1961, our current plantings are nearing 40 years of age. In cooler years, these older vines really show their strength for ripening fruit. All three varietals are hand-harvested, whole-bunch pressed and fermented cold in stainless steel tanks with cultured yeasts to preserve the crisp, fresh fruit flavours. The blending of these varietals is conducted post-fermentation with some residual sweetness preserved to add balance to the acidity and provide weight, texture and freshness. The 10 percent Pinot Gris provides lovely pear notes which bonds with the usual fresh fruit salad aroma for which this well-known blend is famous.
